

New Boston Recreation Commission

Subject: Commissioners' Meeting
Date: March 7, 2013
Location: Old Engine House

Attendees:

Commissioners: Lee Brown, Kim Borges*, Ken Hamel, David Hulick, Jen Martin
Staff: Mike Sindoni, Mary Francis Manna * = *excused*
Guests:

1. Last month's meeting. A motion was made, seconded and approved to enter that portion of last month's meeting that pertained to K-Care as a nonpublic session under RSA 91-A:3:11.
2. Disk golf / insurance. Lee spoke with LGC (local government center) insurance. We would not have automatic coverage because 4H is not town property. To cover, there would have to be town staffing during times of operation. Lee also spoke with Dover Rec. Their program is successful (proximity to UNH). It is run by a 3rd party group. We expect a report from John at the next meeting. This raises questions about Rec activities at other locations, like the Church. Instructors who are not town employees do supply certificates of insurance.
3. Program topics.
 - a. Lauren Burnham Zengevity senior exercise program proposal. We will try it to see if the seniors like it.
 - b. Easter bonnet and egg hunt will be 2 weeks from Saturday (Mar23).
 - c. Baseball and softball registration ended yesterday. There was a surge in activity last week. 76 baseball, 61 softball, 54 T-ball.
 - d. Summer camp. Registrations opened 2 weeks ago. Same staffing as last year. 8 week program starting Jul1. Using both White Buildings is okay until the end of August.
 - e. Movie program. Cost is about \$900 per movie for 26' screen, set-up, equipment, etc. This does not include the movie license. Mike will check with Christine Quirk to see if her license could be used.
 - f. Summer concerts. All dates are booked.
4. White Buildings. Building and fire inspections. There were some issues. The distance of the exhaust pipe from the furnace to the chimney is too small. This necessitated installation of a heat-shield. They want the heat supply ducts in the furnace room to be insulated, or the room needs to be heated. An air supply kit will be installed. Heating costs are down 45% this year.
5. A New Boston player hurt his knee in a basketball game last night. Mike will follow up today.
6. The next meeting will be on Thursday, April 11 at the OEH.

David Hulick, Secretary
